Given the recent fire drill that we experienced last Monday, we thought it would be useful for OARM's Facilities Management and Services Division to provide the OAR Immediate Office with Occupant Emergency Plan (OEP) awareness training to help us better understand how to respond in the case of different types of emergencies. OPMO had this training this past winter and found it riveting and extremely useful. I hope you are able to attend. If you have any questions, please let me or Marc Vincent know.

Thanks

Courtney
